042019

Hello & Welcome Hackers!

You have now arrived at DragonHacks 2019!

IEEE

041919

Make the next 24 hours count! More importantly, have lots of fun and learn some new skills! GO HACKING!

This year is all about RETRO GAMING! An Arcade is set up to demo classic games and to compete in singleplayer and multiplayer tournaments.

Drexel IEEE sends special thanks to all sponsors and volunteers for making DragonHacks 2019 possible!

ALL THIS BASE ARE BELONG TO DREXEL.

DragonHacks 2019 is being held in the Bossone Research Center, 3140 Chestnut St. Hackers can work in any of the designated hacking areas on the 1st and 3rd floors.

Ceremonies and Tech Talks are held in the Mitchell Auditorium on the 1st floor. Tables for registration and sponsors are located in the lobby. The Arcade will open up in the lobby on Saturday evening.

ALL THIS BASE ARE BELONG TO DREXEL.

Meals are catered in the 3rd Floor Hacking Area. Two sets of elevators can be used to access the 2nd Floor Parts Window and the tech workshop venue, Bossone 605.

There are additional (limited space) hacking areas in the 4th through 6th Floors.
